I am looking for all minutes of the Navy's 1993 Base Structure and Evaluation Committee (BSEC) deliberative meetings that concerned the process for evaluating naval shipyards for closure. These minute were required to be deposited in the Base structure Data Base (BSDB) back in 1993. In addition to these minutes of deliberative meetings, I am also looking for decision papers that were also required for each each overarching decision affecting Shipyards and made by the BSEC. My preference is to receive the requested files in pdf format; however, hard copies are acceptable if electronic copies are not available.
